*** INFORMATION IN RELATION TO THIS APPENDIX 3Y**

The Company is aware that an appendix 3X was lodged in November 2023, and the prior holdings in this 3Y reflect an additional 365,683 shares and 370,370 options. The movement is a result of the October 2023 placement that occurred prior to Mr Reid being appointed a director and was an unrelated party at the time of entering into the placement. The unrelated placement of shares and options were approved by shareholders before being issued.

At the time of the issues, Mr Ried was newly appointed and the Company did not pick up the prior involvement in the placement as an unrelated party in order to track the movement. The Company has entered into disclosure agreements with each director under which directors are obliged to provide all necessary information so that the Company can meet its disclosure obligations under Listing Rule 3.19A. These requirements are also contained in the Company's securities trading policy and discussed at each board meeting.

The Company notes this is an isolated instance that is linked to onboarding of Mr Reid, and the Board does not consider that the arrangements are inadequate and does not intend to take any further action.
